

**Transitional/Intentional Interim Ministry Specialist (TIIMS)  
Training Seminar  
Sponsored by: Miami Valley District**

***Registration priority will be given to clergy members of the  
West Ohio Annual Conference.***

**Description**

The three-phase event spanning six months is led by a certified trainer of the United Methodist Transitional Intentional Interim Ministry Specialist Association (TIIMSA).

**Phase I** is a four-day training event designed to:  
sharpen one's general ministry skills,  
provide new insights for working as a change agent,  
introduce tools and techniques for use in short-term leadership,  
and orient one towards "intentional" interim ministry.

**Phase II** continues for about five - six months in one's home church or area of ministry, during which time the insights learned in Phase I are practiced in a mentored relationship with the Seminar leader.

**Phase III** is a three to four day gathered event when theory and practice are more fully integrated using the Change Process Reports prepared during Phase II as case studies. The basic tools introduced in Phase I are reviewed for deeper understanding.

A leader, trained and practiced in Intentional Interim Ministry, will work for six months with the seminar members. Clergy who are experienced, mature, and productive are most suited for the transitional work of congregations.
